- Embedded systems
- 3D Printing
- AI
- Natural Languages Processing
- VoIP

🏊 Hobby.

I devote my free time to my family, have fun with DIY projects together with my children.

I build pet projects such as home automation, mobile applications, websites.

I like active sports such as mountain ski, traveling, hiking, river rafting. If I have free time I read Sci-Fi books, play guitar, learn some fancy foreign or programming language.
